# CORPORATE MEMBERSHIP PACKAGES

The NBA is a charitable organisation and the only dedicated voice for British Beef Farmers. At all times, our mission is to continually promote and support the UK Beef Industry at all levels. This we do by engaging with the Government and devolved administrations to defend the interest of British Beef farmers in policy.

By becoming a Corporate Member, you not only support our ongoing policy work, but also support our efforts in reaching out and communicating with practising farmers to network and share knowledge for the benefit of the industry.

Over the past year, the NBA have reached out to an audience of over 17,000 beef farmers, through our quarterly magazine, weekly newsletter, and social media platforms. Our industry farm walks have been very successful also, with NBA representatives meeting over 1,800 farmers to discuss the future
