A Message from the National Beef Association

Since its inception in 1999 the National Beef Association (NBA), a charitable organisation, has grown from strength to strength and today it remains the only dedicated voice for the British Beef Farmers.

At all times, our mission is to continually promote and support the UK Beef Industry at all levels. This we do by engaging with the Government and Devolved Administrations to defend the interest of beef farmers across England, Scotland, Wales, and Northern Ireland.

We meet regularly as a Board, as do our four committees – TB Committee, Pedigree Committee, Policy Committee and the most recently formed Animal Health Committee. Each geographical area of the country is also represented at a regional level through the eight dedicated forums which hold regular meetings and events which are open to all members.

The Beef Industry has, and will continue to face many challenges, and through the revenue generated from members we can ensure that we continue to represent their views and concerns in Government. In addition, we can help direct the course of future regulation, offer advice, overturn bad regulation, and improve existing legislation.

We are a proactive and important industry body, and our membership programme is integral to the long-term future sustainability of the Association. Membership starts from £75 per year, with many members electing to pay more for the services they receive. The Membership operates on a rolling year basis and offers you many benefits which include:

- Weekly electronic NBA Newsletter
- The Quarterly NBA Magazine
- Access to the members-only area of the NBA Website – www.nationalbeefassociation.com
- Discounted entry fees for the NBA Beef Expo and other NBA Events
- Free use of the NBA Terms and Conditions of Sale for Pedigree Cattle

We hope to welcome you as a member of the NBA in the near future, if you have any questions please feel free to contact the NBA Head Office on 01434 601005 or by email at info@nationalbeefassociation.com.
